SCENE 1A - INT. BAR/CAFE/PARK - CONTINUOUS

Two girls, GIRL ONE and GIRL TWO, are sitting and chatting over a few drinks at a bar/cafe/park.

GIRL TWO takes a sip of her drink and listens intently to GIRL ONE.

GIRL ONE

I just love how sincere she is.
She'll say things like "I love you baby" to anyone, like it's so just cute to me idk. You know what I mean.

GIRL TWO

Yeah for sure.

PAUSE

GIRL TWO (CONT'D)

It's interesting how she has all of that money. Not many people have done that. And like, often when people have money like that, it's annoying and like, disingenuous, you know?
But her, she's somehow so real with it. It's nice to see.

GIRL ONE

Yeah true... I know what you mean.
You do know she got it all from Money Heaven, right?

GIRL TWO

Really??

GIRL ONE

Yeah. Pretty sure she's never had a job. She just gets things like that, she's quite spiritually powerful I think. She signed up online and then it all just kind of happened.

GIRL TWO

Wow...

GIRL ONE

Yeah, isn't it crazy. The world is sooo unprecedented.

I've always wanted to try it out, Money Heaven, but it makes me a bit nervous idk...

GIRL TWO

Yeah I get you.....

GIRL ONE

By the way, I'm sorry about your presentation.

GIRL TWO

Oh that... Don't worry, really. The numbers were wrong, that's my fault.

GIRL ONE

Don't beat yourself up, I don't think it's your fault at all! The numbers are sooo much bigger than us, also very unprecedented, it all is. It's really not in our control.

GIRL TWO

Yeah I guess... I just think I could have vibed it out a little more idk. Maybe I was a little hasty... idk it's fine. I just, I do really love my job. I love the numbers, even when they're totally wrong. I just love to make them my own, you know?

GIRL ONE

Oh yeah for sure, it's a special thing.

You know, apparently in Money Heaven the numbers have never been wrong. Like, it's not even possible for them to be wrong.

GIRL TWO

What do you mean?

GIRL ONE

Well, I don't know how it works exactly. But basically when you have a whole bunch of money, it's all the same thing right? Like it's just more and more of what you had before. So then it all evens out, it ends up being equal.

GIRL ONE shrugs.

GIRL ONE (CONT'D)

Idk something like that anyway.

GIRL TWO

Wow... that's really interesting. I wish I understood all that stuff..... I'd love to go to Money Heaven, but right now it's just another thing on my list.....

GIRL ONE

I feel you.

GIRL ONE (CONT'D)

She's just so cool. Like really graceful and hopeful, but definitely grounded too. Sooo earthy. I wonder what her starsign is....

GIRL TWO

Her chart must be crazy.....

GIRL ONE

I love her...

FADE OUT.

SCENE 2A - INT. BAR/CAFE/PARK

One at a time, the girls speak to the camera, confident and expressionless.

GIRL ONE

We have no choice but to do our best in our one life. I will ride my motorcycle into the flames of hell and I will never die. Will you join me?

GIRL TWO

Our perfect beautiful life is worth fighting for. Yes, I will ride with you. We will travel to Money Heaven, where we will take a lot of photos and win again and again forever.

SCENE 1B - INTERCUT - EXT. STREET - DAY

Another girl, GIRL THREE, is walking down the street. She wears a shirt that says 'MONEY HEAVEN' and a hat that says 'HEART'. The footage is in a handycam/ documentary style, giving paparazzi/ candid documentary/ home movie/ perfume commercial vibes. She is carefree, smiling, interacting with things, and chatting with the person behind the camera.

SCENE 2B - INTERCUT - EXT. STREET - DAY

GIRL THREE

We have no choice but to do our best in our one life. I will ride my motorcycle in the flames of hell and I will never die. Will you join me?

GIRL THREE (CONT'D)

Our perfect beautiful life is worth fighting for. Yes, I will ride with you. We will travel to Money Heaven, where we will take a lot of photos and win again and again forever.

FADE OUT.
